

Parking for the ACAC Rock the Blocks Jam Swim Meet
June 8-10, 2012
Donald and Ruth Furman Aquatic Center

Currently the aquatic center has very limited parking. Since it will be open during the meet, for some sessions we are asking families to try and avoid parking in the lot right at the main entrance when your children are swimming. If possible, please drop your swimmers off and then proceed to the parking lot of Ames High School (about a 2 minute drive). You can then walk to the aquatic center via a paved bike path or take a shuttle that will be running to take you to and from the aquatic center.

The following sessions are when we are asking folks to do this: Friday, Saturday afternoon, Saturday Finals, and Sunday afternoon. For the morning sessions, please feel free to park in the aquatic center parking lot. In addition, if the aquatic center closes due to weather, the meet will still operate, and you can park in the aquatic center lot. We will post updates on our website at:

We appreciate your cooperation with this. Below is a map outlining how to drive to the Ames High School parking lot.
